

STOPPIT-3 NEWSLETTER

3rd June, 2022

A WELCOME MESSAGE

Welcome, to the first edition of the STOPPIT-3 trial newsletter. In this edition we want to welcome our first STOPPIT-3 trial sites ahead of our official launch day. The response from sites has been excellent so far and we would like to thank you all for your support in the run up to launching the trial.

23RD JUNE 2022

A DATE FOR YOUR DIARY

We are excited to be launching STOPPIT-3 across a number of initial sites on 23rd June 2022.

If you haven't already registered as a STOPPIT-3 site, there is still time! Please contact our trial team on STOPPIT.trial@ed.ac.uk.

SOCIAL MEDIA:

@STOPPIT3STUDY

If you haven't done so already, please take a moment to follow our study page on Twitter @Stoppit3Study to keep up to date with exciting launch news and study developments

FRIENDLY REMINDERS

- If you haven't submitted your feasibility form yet but are still interested in joining the study, please return your form via stoppit.trial@ed.ac.uk
- If your site has a planned SIV date, please ensure you complete the mandatory training via the Thinkific link shared with you over email
