HAPPY NEW YEAR!

We hope you all had a good festive season, although the holidays seem like a dream now... back to reality and the world of clinical trials research! We are looking forward to opening new STOPPIT-3 and STOPPIT-M sites and working with you all in 2023.

TRIAL CHATS

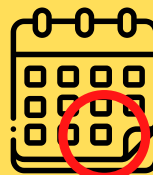

JOIN US IF YOU CAN

Join us for a trial chat!

Informal drop-in chat sessions will be held via Teams on the last Thursday of every month beginning **Thursday 23rd February 2023 at 12:30pm**. This is an opportunity to discuss all matters trial related with the Edinburgh Team. Join us if you can make it, we'd love to hear how you are getting on with STOPPIT-3 at your site. We hope discussing the trial with other teams will be helpful in relation to the general running of the project.

A more formal 'recruitment meeting' to discuss strategies for successful recruitment will be held at the end of March 2023 via Teams (DATE TBC). We will confirm the date and time in our February newsletter. An invitation will be sent to you in the near future. We'd be delighted if you're able to join us!

COMPETITION WINNERS

CONGRATULATIONS TO THE TEAM AT EAST LANCASHIRE WHO ARE OUR CHRISTMAS COMPETITION WINNERS!

This photo was chosen as the winning entry because of the aura of grumpiness from the Grinch, which emanated so powerfully from the picture in contrast to the happy smiling faces of the others. The team will receive a lovely prize. Thank you to all the entrants.

Look out for our next competition at Easter time.
