## WELCOME!

Welcome to the May edition of the STOPPIT-3 newsletter. We hope you all enjoyed the Easter break and hopefully some decent weather. Edinburgh has gone backwards slightly this past week or so, we have had very wintry temperatures. Looking forward to proper spring weather this month.

Recruitment total is now **14**  
Well done all teams.

## TRIAL NEWS

### Commensurate GCP

There are two additional GCP documents which we hope will help with administering the IMP for the trial:

- *Overview of STOPPIT-3 Trial for Administration of IMP v1.0 05042023*
- *Overview of STOPPIT-3 Trial for Countersigning of Study Drug Preparation v2.0 21122022*

All open (and about to open) sites should have received an email about these new documents. If you haven't received this please contact the trial team and we will send the email and documents to you.

### Screening Logs

Please send your screening logs for April to us via [STOPPIT.Trial@ed.ac.uk](mailto:STOPPIT.Trial@ed.ac.uk) We really appreciate all your hard work in completing these and it is really helpful to see the information you are giving us.

### TRIAL TEAM NEWS

#### Lauren's baby...

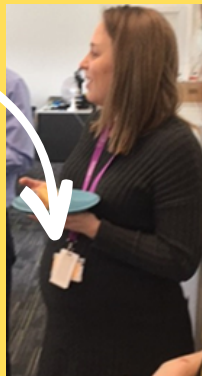

Lauren has had her baby! Finlay Craig, born 25th April – 8lb 11oz.

Where was he hiding in that neat bump???

Whichever team recruits nearest to the day on which Finlay was born gets a special prize.

Goodbye to Lauren and best wishes for the maternity leave. As you can see, the STOPPIT Team and ECTU staff say any farewells with cake.

Note Lauren is standing well back to avoid being trampled in the rush!

#### Another Farewell

Another farewell is looming – Goodbye to Angela Niven. Yes, Angela's time on STOPPIT-3 and STOPPIT-M has been short and sweet. Angela is leaving the Edinburgh Clinical Trials Unit for pastures new. Congratulations on the new job! Angela's last day with us will be 26th May 2023. More cake awaits...

#### And Another Welcome!

# Welcome

Lisa Derr has taken over from Angela and is working on STOPPIT-3 with us now. Welcome Lisa!
