Please note that the document version number is contained within the header of each document. The footer contains the sponsor's reference to their own document template.

Screening Logs

Please send your screening logs for June to us via STOPPIT.Trial@ed.ac.uk We really appreciate all your hard work in completing these and it is really helpful to see the information you are giving us. At the most recent Drop-In chat, held on 29th June a 'straw poll' was held about using electronic or paper logs, with an overwhelming majority being in favour of using electronic logs in the future. Watch this space...
