Please note the change of venue!

Our Investigators' Meeting will be held in-person in Edinburgh. We will not live-stream the event, although we are looking into that possibility for future events. Please email the team on **STOPPIT.Trial@ed.ac.uk** to **confirm** if you plan to come. This is a great opportunity to meet other STOPPIT-3 sites, find out about the latest research and hear from experts in the field.

Our first Investigators' Meeting was held in London in September 2022 and was a great event so we are really looking forward to seeing as many of you as possible. We plan to hold another one in London in early 2025.
